Retail / wholesale / OEM

- *Designed for retail, wholesale and OEM. Open to the public like a shopping mall.*
- *Professional sales will guide you through your visit and answer any question.*
- *Shopping with a shopper rider.*

Open 365 Days a Year

- *Detroit International Auto Salon opens 365 days a year.*
- *Customers may come and search for parts and suppliers during weekdays or weekend with family.*

Largest Salon for Wheels

- *Hundreds of models of wheels are displayed in Auto Salon.*
- *From heavy duty truck, ATV, SUV to high end aluminum wheels like chrome-plated wheels.*
- *From cast, forged, spun, thixoformed to steel wheels will be available.*

On Site Engineering Service

- *A resident engineer team can provide engineering consultation and design service.*
- *Provide total manufacturing solution service from designing to global manufacturing and delivery.*

Cost Saving

- *Cost for traveling and time will be saved significantly by visiting Detroit International Auto Salon instead of walking around in Asian countries and LCC.*
